## WATERTITE® MOLD & MILDEW-PROOF™ WATERPROOFING PAINT

- Unique oil-base formula that combines a state-of-the-art waterproofing resin with Portland cement to create a coating that stops up to 34 psi of water pressure
- Contains a mildewcide to prevent the growth of mold and mildew for a minimum of five years after application
- Great for basements and other interior/exterior, above/below grade masonry surfaces
- Smooth, non-gritty finish applies easily to wet or dry walls
- Ultra-low odour oil-base formula has even less odour than latex paint
